

DO YOUR BIT TO KEEP YOUR FISHING SPOT GREAT!

Cast your unwanted fishing line here...

...use the **TAnglerBin**

RECYCLE FISHING LINE TO SAVE WILDLIFE

Littered and lost fishing line harms our wildlife, pollutes our favourite fishing spots and can ruin a great day fishing.

Be a responsible fisher...

- Don't leave your line behind. Bin unwanted fishing line in the TAngler Bin.
- Remember to replace your fishing line before it becomes brittle.
- Avoid leaving your lines unattended while fishing and be on hand in case of entanglement.
- Always cast your line with care – away from foraging birds or other wildlife.
- Pick-up littered line found whilst out on the water or near the shore and put it in the TAngler Bin.
